DEDICATION

This one goes out to you, Mom and Dad,
With love from your daughter or son.
We dedicate this yearbook to you, our parents.
Thank you for all that you've done.

You cried the first day of kindergarten:
On that tragic day we parted.
No more carefree days of Sesame Street;
Thirteen years of education had started.

You taught us to hold a pencil.
You taught us to spell our names.
You praised our macaroni sculptures.
You played our favorite games.

You bandaged our busted elbows and knees,
And never missed a holiday play.
It was clever the way we were brainwashed
To think a kiss would make pain go away.

K through 5 was soon forgotten
(Time to buy clothes that were cool).
The class of '94 was first brought together
At the Central Street Middle School.

Our teenage years were awkward ones,
Learning "The Birds and Bees" wasn't simple.
You helped us through these troubled times
When our only friend was a pimple.

Up until our High School days,
We never left you alone.
But as soon as we became freshmen,
We set out on our own.

You didn't always like our choices.
Sometimes we'd fight and we'd fuss.
So thank you for all of your time and your patience
And for having faith in us.

We saw you at every sporting event,
Cheering us on from the stands.
No matter how the game ended - a win, tie, or loss,
You were always our number one fans.

Now we are moving on with our lives
Leaving behind all our childhood cares
And as our youth draws to an end,
You'll gain a few more grey hairs.

This dedication is our promise to you
That we'll be our best and be more.
So thank you for making us who we've become:
The Class of '94.

Looney Tunes

Movies have theme songs, couples have their songs, and high school students have a plethora of songs; attached to each song is a special memory. Songs never lose their meanings or memories. If you hear a song that you and your friends may have danced to, or that reminds you of a special time, it is like reliving that moment.

Music has a way of changing our emotions. Some music may make us laugh, whereas other music may make us want to scream, yell, or dance. Some songs may make us introspective, melancholy, or nostalgic.

From our Freshman year with the Homecoming float to our Junior year (when we should have won the Carnival Ball skit competiton), the class of 1994 has never been unanimous in word or thought. It was difficult to choose one yearbook theme because each member of our class is an individual. So we decided to open it up to the class: our songs, their memories, and their meanings -- no matter how looney they may be.

Songs, like memories, never die; they are just replaced by new ones. Old songs and memories may just float to the back of our minds and materialize at any given moment-- reminding us of our days at Stoneham High School.

FACULTY

During the past 13 years of our lives, we have been influenced by many people. Our teachers have made a major contribution to make us the young adults we are today. They have taught us how to interact with others, how to read and write, how to add and subtract, and they have even taught us how to understand the world around us. As we have grown into teenagers, they have been here to answer our questions and provoke our thoughts. And most of all, they have been there to prepare us for whatever the future has in store for us.

It's plain to see the Faculty,
Although they may seem stern,
Have open ears to young ideas
And even teachers learn.

DANCES

As students of the class of 1994, we, by no means, confined our school lives to the classroom. We eagerly seized any social activity offered, and the majority of these events were dances. Whether informal class dances or elaborate proms and semis, we attended with enthusiasm and made the most of the evening. Accompanied by dates or friends, we laughed, danced, and sang our hearts out. The memories that these social gatherings produced will forever be remembered as we fondly look back on our four years at Stoneham High School.

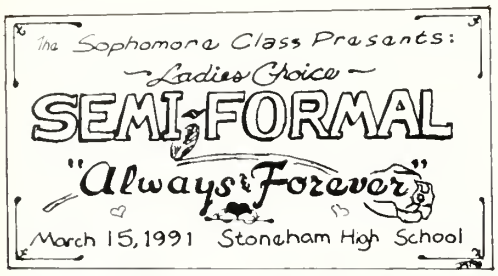
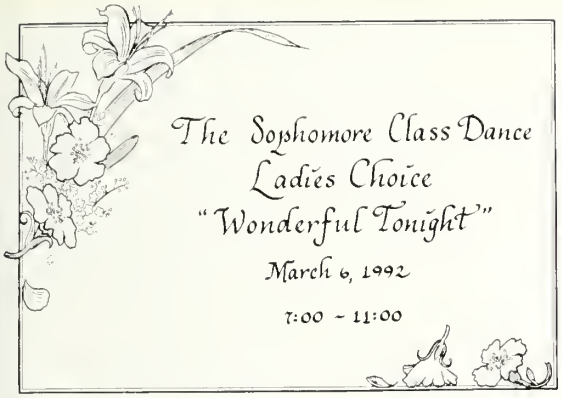
Always and Forever - Heatwave

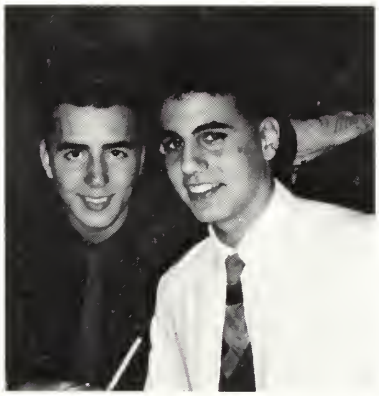


Everyone remembers the anxiety and excitement that led up to our freshmen semi-formal: asking our dates early in December, finding the perfect dress or suit to wear, and trying to organize the post-semi plans for Kowloon (of course). Putting all nerves aside, our first semi-formal was a fun-filled event that will be remembered Always and Forever.

"It's late in the evening She's wondering what clothes to wear She puts on her makeup And brushes her long blond hair And then she asks me Do I look alright And I say yes, you look Wonderful tonight...I see the love lighting in your eyes...you just don't realize How much I love you." Wonderful Tonight - Eric Clapton



Once again, March rolled around, and the semi-formal quickly approached us. This time, however, we were sophomores, and all of the responsibilities fell into our hands. All in all, everything went smoothly, but there were a few exceptions, such as the infamous picture fiasco. Despite this yet memorable detail, the class of '94 pulled together and truly made our sophomore semi-formal a Wonderful (To)Night.



JUNIOR PROM

April 3, 1993 was a very special night for all those who attended the Junior Prom. Even though the weather put a damper on things, the Junior Class proved that it knew how to party in style at the elegant Omni Parker House.

ACTIVITIES

Our lives in high school go far beyond the everyday homework and grades of he classroom. There is a major aspect of student life outside of school hours. Each year, many students participate in Town Day, the Senior Class Play, the Winter Concert, Dramafest and Carnival Ball. They are the heart of the student body, providing recreation and entertainment for the students and faculty, as well as the town.

Most Embarrassing Moments

Tom DelGreco

"My most embarrassing moment was when I sunk into Belle Isle Marsh. It took four guys to pull me out. Behind me I left a huge hole, it is now a memorial."

Susan Peters

"I was at my locker reaching for a book, everyone was passing to their third period classes. Along came Alana Bustin and pulled my shorts down to my ankles exposing my underwear to everyone in the hall. Then, I heard Frank Petrillo scream, 'Did I miss anything good?'"

Don Libby

"My most embarrassing moment was when I threw away my retainers in the barrel, the worst part about it was when the custodians came to take the trash to the dumpster. I had to follow them outside, jump into the dumpster and search for them. I went back to class smelling like garbage, and everyone called me 'Dumpster Don.'"

Lisa Walsh

"I had cheering practice after school in the cafe. Everyone was making fun of my tights, so I decided to take them off right then and there. I pulled up my skirt and proceeded to take off my tights while my friends laughed hysterically at me. Much to my surprise, they weren't laughing at me, but at the fact that Mr. Campagna had come through the doors and got a full view of me without my tights, or skirt on. I was so humiliated I ran across the cafe with my tights around my ankles."

Jason Larson

"I was walking to lunch, excited because I had $20 to spend. I began to run to the lunch line, I tripped, fell, and slid head first into the line. The cafe lady asked if I was o.k., I said 'Give my cookies and a milk please.'"

Younger Years

"This used to be my playground This used to be my childhood dream

Those are words I'll never say" This used to be My Playground - Madonna

feeling old and your heart is breaking Say good-bye to yesterday

This used to be the place I ran to Whenever I was in need of a friend

Why did it have to end and why do they always say don't look back, keep your head up high

Don't ask them why because life is short and before you know you're

FRIENDS

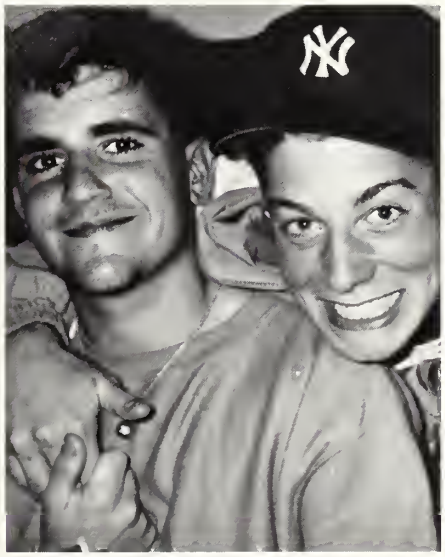
"When you're down and troubled and you

got to do is call And I'll be there, yes I will You've got a friend"

unning to see you again Winter, Spring, Summer, or Fall All you

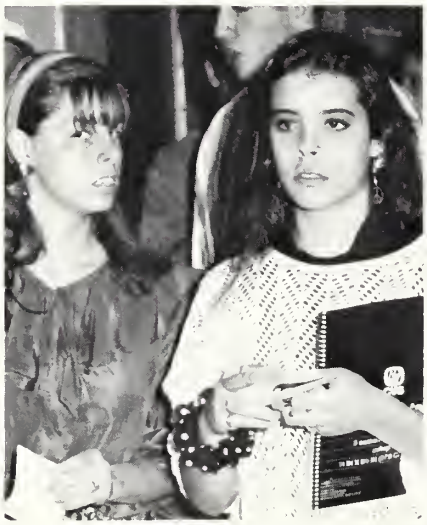
need a helping hand And nothing, oh nothing, is going right Just close your eyes and think of me And soon I will be there to brighten up even your darkest nights

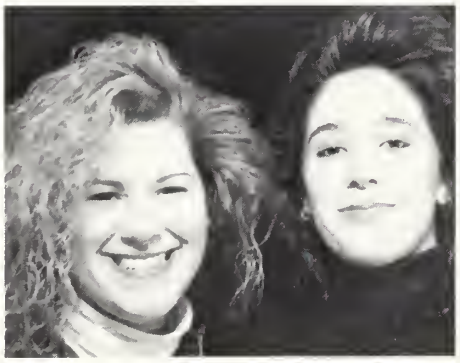
And best of all, the friends we made
We'll keep through all the years.
And side by side we'll share with them
Our lives and our careers.



You just call out my name And you know wherever I am I'll come

"If the sky above you should turn Dark and full of clouds And that old



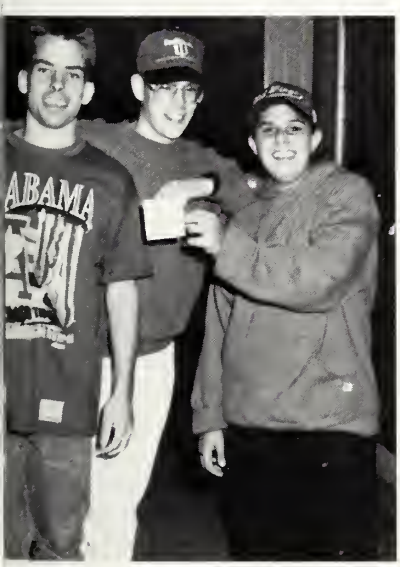


You've Got A Friend - Carole King

Summer or Fall All you got to do is call... You've got a friend"

ake your soul if you let them But don't you let them...Winter, Spring,

North wind should blow Keep your head together and call my name out loud Soon I'll be knocking upon your door Hey ain't it good to know that you've got a friend People can be so cold They'll hurt you and desert you They'l



COUPLES

"Wise men say, only fools rush in But I can't help falling in love with you" Can't Help Falling in Love - Elvis Presley

goes Some things were meant to be Take my hand, take my whole life too For I can't help falling in love with you

an't help falling in love with you Shall I stay, would it be a sin For I

can't help falling in love with you Take my hand, take my whole life too For I can't help

falling in love with you Like the river flows gently to the sea Darling

Most Embarrassing Moments

Lauren Cotter

"I was with Beth Clooney in the computer room and had just finished typing a paper. As I walked toward the door, my pocketbook strap caught on a printer and it pulled i to the ground. Luckily Mr. Carino was able to fix it, but I'll never forget the evil lool on his face."

Keith Turner

"I was working on the crew of the 1992 school musical "Into the Woods". On opening night, we were making some final adjustments before the show started. We were playing a tape over the loud speaker while we worked and I thought the music wasn't loud enough so I cranked the volume. After the first beat, the speaker popped and made a hissing sound. No matter how hard I tried, I could not fix it. I went and told a friend who told the audio engineer. Within five minutes, the entire cast and crew knew it was me and they were furious. Fortunately, they fixed the speaker in time for the show."

UNDERCLASSMEN

Students at Stoneham High School participate in various sports, academic and ocial endeavors. Freshmen, Sophomores, Juniors, and Seniors learn from one nother and grow with each other, thus diminishing the differences of age and grade level.

The S.H.S. spirit is strong and alive. It is shown on an everyday basis in the afe, hallways and at school events. With pride and confidence, the seniors will watch the underclass students begin to assume the role of leadership within the chool.

FALL SPORTS

The Stoneham High sports teams had a very successful fall. Working hard from captain's practice in August to the end of the season in November paid off for each group of athletes and, at the same time, threw a wrench into the works of others teams throughout the Middlesex League. Kudos to all and good luck to all senior athletes.

Girls' Cross Country

The Girls' Cross Country team had a successful season. They were Middlesex League Tri-Champs and Runner-Up and the State Class Meet. Having no seniors on the team, the squad was led by veteran juniors Suzanne Bardis, Amy Gebhard, Michelle Mottola, Jaimee Seabury, and Erin Wright. Returning sophomores Tricia Fiore and Kaytee Seabury continued to add to the strength of the team while newcomers Meredith Crosby, Elizabeth Hanson, Jaclyn Covelle, Jen Morsett, Amy Gardner, Michelle Magliozzi, Michelle McDonald, Carolyn Devlin, and Meredith Coy added to the depth of the team.

Boys' Cross Country

This year's cross country team had an unprecedented season. They were by far the best team in Stoneham High history. Behind the leadership of senior Co-captains Keith Rogers and Adam Walker the harriers ripped through the league with a perfect 9-0 record, along the way to the first Middlesex League Championship in thirty years. They also picked up victories at the prestigious Catholic Memorial Invitational Meet, Northern Area Championships and the Middlesex League meet. League All-stars were Gerard Leeman, Keith Rogers and Middlesex League Champ Adam Walker.

Golf

In a word this year's golden season was disappointing. We managed only two victories and had our worst finish in recent memory. Many of our matches were close and could have gone either way. However, most of the time they went the wrong way. The team was led by RUGGED senior captain Paul Leone. The team's only league ALL STAR, Sean Wood, had a fine season. Erich Butters played impressive golf as well. Unfortunately, the team will be losing the genius of seniors Tim Madden, Steve "Psycho" Eovine, Sharon Mastropietro, and Chuck McDermott. Next year's squad can look forward to the return of Bob "Burger" Murgia, who leaves his mark on every course he plays, as well as the return of Jeff Orsillo and Brendan Connors. Future hopes rest on the shoulders of Jared Leone, a talented young player.

Volleyball

It's been a one of a kind season in Volleyball, with both losses and wins, but everything turned out really fine. The coaches did a good job and team members worked hard to bountiful results. Wins and losses came and went, but the season, alas, is gone with the wind. Next year we will miss the seniors of course, but should have a strong team with returning underclassmen.

Girls' Soccer

After a vigorous and frustrating season, the 1993 Girls Soccer team is starting to receive a little respect from its Middlesex League opponents. Although their record may not show it, the Spartans played hard and tough often just missing that one goal to put them ahead. This year, the team kept the scores low and upset Woburn 2-0. Success in the future is ready to happen for the Girls Soccer Team as many players will be back again next year ready to win!

Boys' Soccer

The 1993 soccer season could be characterized as an emotional roller coaster. After suffering consecutive losses to Middlesex rivals, Wakefield and Woburn, the boys won three in a row to improve their record to 4 and 2. This superb start was due to defensive hard work and an explosive offensive attack. Midway through the year, the boys appeared to be on their way to qualify for their first State Tournament in fifteen years at 9-5-1; however, they didn't have the knockout punch to fulfill their pre-season goal. In the postseason, Co-Capt. Robbie Burns, and Mike Luongo earned All-Star recognition, while Co-Capt. Joe Alberta, Matt Medugno, and T.J. Sheedy received Honorable Mention. The boys would like to thank Coach Carino, Coach Serino, COB, the 1993 Fall Cheerleaders, and the dedicated fans for their support.

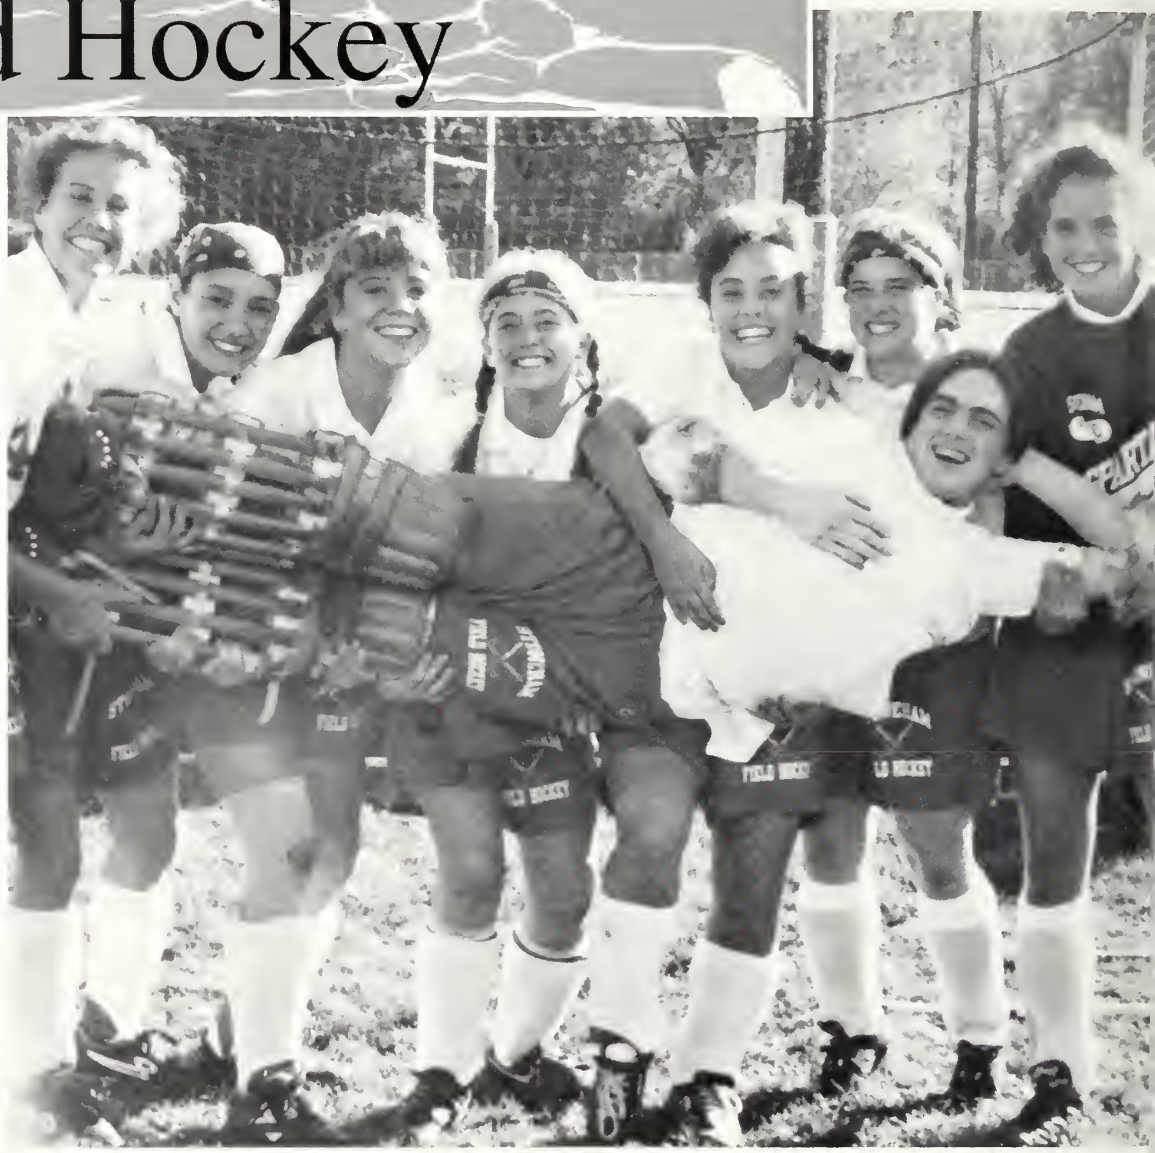
Field Hockey



The 1993 Field Hockey season started out and ended with a bang! Not only was S.H.S. the first to wear shorts, but we were also the first to have a boy on our team. With hard working captains Andrea Sabbag and Kristen Lehmann, this year's team was organized and hardworking. Our 4-9-5 record was disappointing, but also enjoyable. All girls gave 100% in every game and never gave up. With Senior leaders Carolyn Bane, Melanie Gillis, Felicia Linehan, Jay Scales, Danielle Mayo, and Katie Quinlan, our Varsity and JV teams were energetic and we were all united as one, and that is what made the 1993 Stoneham High School Field Hockey season the best ever.

Cheerleading

Getting through the season; always a fun plight
Stoneham Spartans cheered, Go Blue, Go White!
With many laughs and, yes, some cries
We managed to build unforgettable ties
Car tag and sleepovers were always fun,
Too bad the football team never really won!
Practices were filled with tosses high and low
Bumps and bruises stiff arms and doughnut holes!
To the best Coach Ms. D thanks for holding up the fort.
And to all the faithful fans, Thank you for your support!!!

Football

Well, the 1993 fall sports season came and went, and the football team made it a good one. Led by their dedicated head coach Al Lanni, the team explored new playing levels. Although the team didn't build up many leads, and only won one game, the team built character, as the team really came together and pushed on, even after it became clear that post-season play wasn't a possibility. We'll miss all of the seniors, and wish next year's team the best of luck.

WINTER SPORTS

The winning records achieved by all the Stoneham High School winter athletes were not a surprise considering our history of talented athletes. Their hard work and dedication that began in November and lasted to the last buzzer, the last relay, and the last dance move proved victorious and eventful for all the athletes and fans involved. As our athletes vied for the Middlesex League championship titles, they successfully grew into teams that went beyond the sport. They made friends and memories that made them proud to be a part of a team. Disappointments, laughter, triumph and defeat will be remembered by all. Congratulations to everyone!

Girls' Track

In a year which featured several strong teams in the Middlesex League, Stoneham proved that they were one of the best. From the 2 mile event to the 45 m dash, the Spartans had some of the best runners in the league. But the team was deep as well, consistently grabbing the second and third place points so vital against Woburn, Lexington, and Reading. The Spartans made an excellent showing in all their state competitions and showed spirit and strength through the season.

Winter Cheerleading

The Winter Cheerleaders had a succesful season. We were a young team, with 5 freshmen, so we had to return to the basics. Everyone learned something, worked hard, and had a fun time. Of course, we had our setbacks due to injury, but the team was determined not to let injury overcome us. We'd like to thank the fans for coming to the games. The S.H.S. spirit is not there yet, but it is on its way. Congratulations to the boys' basketball, hockey, and all of the other winter sports teams for a great season. Good luck to the three graduating seniors: Gina Scimone, Vanessa Riggio, and Jamie DuLong. The seniors would like to wish the future teams good luck. Keep safe! Keep smiling!

Boys' Basketball

Under the leadership of Brian Joyce, this year's Stoneham hoop team had one of the most exciting and successful campaigns in recent history. With an impressive win to start the season at home against Woburn, the Spartan crowd was introduced to a new face, sophomore Tommy Adams. Added with Tommy Joyce, the Spartans had one of the best young backcourts in the league. Greg DelGreco emerged as a great defensive player, and Jon Mahoney helped out in the middle, spelling Brian Joyce when he went down injured. Steve Eovine and Richie Curran provided senior leadership. Harry Eliopoulos and Don Libby made contributions that can not be measured in stats, with their aggressive play and undying spirit. The team would also like to thank the fans, who made Stoneham the toughest gym in which to play a game.
